2010 MMGC Opening

Spring is approaching and golf is only days away. The course will officially open on Saturday, March 13th weather permitting. Rental carts will be available when the course opens. Now is a great time to find the clubs, blow the dust off and prepare for a great 2010 golfing season. The driving range will remain closed until the grass starts to grow. The food service provided by Mission Mountain Golf Course and Cheri's Kitchen Catering will begin April 5th. Starting Saturday the 13th the hours of operation will be 10-5 seven days a week.

Clubhouse improvements for your convenience

We have made a few changes inside the clubhouse to make the pro shop and the bar more efficient and customer friendly. We have added a second computer to separate the bar area from the pro shop. This change will make check-in much quicker and easier.

Golf course Improvements

Trees...cart path...bridge. We added thirty-six trees to the golf course this past fall. Most of the trees landed on 14 with a few hitting 5, 7 and 15. We also have plans to add up to twenty-four more trees this spring. On March 3rd we started a project to replace the cart path on 15. The new path will begin by the bridge and continue on to the 16 tee box replacing the old path that had been overgrown with grass. In the next week or so we will be replacing the bridge crossing mud creek on hole 16.

Coming Events

The next scheduled event is the Swing in Spring Scramble on April 24th. This event will be a fundraiser for Mission Mountain Golf Course & Cheri's Kitchen employee Stacy Nelson. Stacy has been going through chemotherapy to treat cancer. Stacy doesn't have health insurance and could sure use our help. There will also be a spaghetti feed that day at the course for those of you who are not golfers. A flyer with prices and details will come soon.

Junior Camp

Junior Camp will take place on June 15-17 and on June 22-24.
